

Masters Programs – COVID-19

NBCC is proud of our past members and would love to see them back at the club so we offer two Masters programs: A Masters Racing program for those who want to Train at the club and Race at Masters events and a Masters Racing Remote program for those who live outside of North Bay but want to wear the double blue at Masters races

The Masters Racing program includes three practice sessions a week with on water coaching and a training program to follow from the beginning of June to the end of August.

The Masters Racing Remote program simple covers Alumni athlete's, insurance and registration with CKC, CKO Sprint and EOD to allow them to race for NBCC in July and August even though they train on their own outside of North Bay.
